

Special Logitech Offers for System Integrators Deploying Microsoft® Lync™

Specifically created for Microsoft Silver and Gold Communications Competency System Integrators (SIs), these Logitech offers feature our leading UC products so your customers can experience the Logitech difference.

Logitech UC tools foster greater levels of collaboration and provide the very-important human-touch interface of UC. Tools that are so intuitive, people actually love to use them. Tools designed for real people.

Logitech helps businesses unleash productivity and Lync collaboration - from the desktop to the conference room - with intuitive designs that are good for people and good for business.

Optimized for 	Lync-Optimized UC Product	Region	Pilot and Production POCs (50 – 1,000 users) ¹	Configurable Solutions for 1,000+ Deployments ¹
	Logitech Webcam C930e Finely-tuned for Microsoft Lync, the C930e delivers the most professional desktop video collaboration experience yet. Features the widest field-of-view and is the first to support full HD 1080p with H.264/SVC UVC 1.5 encoding, the newest technology that frees up PC bandwidth.	North America	Buy 9 get 1 free	Contact us for an offer
	Logitech B910 HD Webcam With HD video, stereo audio and included privacy shutter, the B910 webcam is an easy way for professionals to collaborate – without leaving their desk.	North America	Buy 9 get 1 free	Contact us for an offer
	Logitech B525 HD Webcam Compact, foldable design is ideal for individual video conferencing. The 360-degree swivel makes it easy to broadcast at any angle, turn away for added privacy, and fold up for easy packing on-the-go.	North America	Buy 9 get 1 free	Contact us for an offer
	Logitech USB Headset H650e Designed with DSP enterprise-quality audio and the human-centric design and features Logitech is known for. Minimizes interruptions thanks to a clever in-call LED light placed on the back of the boom that provides a visual signal to others that you are on a call. Stereo and Mono options available.	North America	Buy 5 get 1 free Available from March 2013	Contact us for an offer
	Logitech BCC950 ConferenceCam Combines professional HD video and superior speakerphone audio. Perfect for enabling groups to have video meetings from anywhere in the office. On-unit controls and the included remote control allow users to pan, tilt and zoom the camera, and quickly answer/hangup calls, adjust the volume and mute the mic.	North America	buy 7 get 1 free (up to 70 units bought)	Contact us for an offer
		France Germany Nordics UK	buy 3 get 1 free (up to 30 units bought)	Contact us for an offer
