

### **3. Report Parameters**

#### **3. 5 Report Parameters / Report Scope and Boundary / Define Report Content**

Logitech is a world leader in products that connect people to digital experiences. Spanning multiple computing, communication and entertainment platforms, we develop and market innovative hardware and software products that enable or enhance digital navigation, music and video entertainment, gaming, social networking, audio and video communication over the Internet, video security and home-entertainment control with sales in more than 100 countries. Our responses will reflect societal, environmental and economic indicators that our business intersects with. Particular emphasis will be placed on community engagement, employee well being, environmental affairs, governance and accountability, government relations, supply chain, and workforce diversity. This report follows the GRI G3 Template.

Stakeholders likely to use the report include the following:

- 1) Logitech clients and business partners
- 2) Logitech employees
- 3) Socially responsible investment analysts
- 4) CSR professionals
- 5) NGOs
- 6) Academic community
- 7) Governments
