FEATURE SPOTLIGHT

Sleek, aluminum screen cover

Helps protect iPad® mini screen when not in use with a durable, ultrathin aluminum cover.

Integrated *Bluetooth*® wireless keyboard with EasyType keys for traditional typing experience

Fast, comfortable EasyType keys provide a familiar typing experience with a traditional keyboard in a small form factor.

iPad® mini shortcut keys

Get easy access to commands used most often such as copy, paste and undo.

Hands-free view stand

A recessed groove located behind the keyboard holds iPad® mini at an ideal angle for both typing and viewing.

Powerful magnetic clips

The Ultrathin Keyboard Cover attaches securely to the iPad® mini with powerful magnetic clips. iPad® and cover are drawn together and aligned perfectly, for complete touch screen coverage.

Automatic wake/sleep

Simply open the cover to wake the iPad® mini, and close it to sleep, helping manage power consumption.

Rechargeable design

Charge the keyboard using the included USB cable and get up to 6 months of battery life on a full charge.¹
