FEATURE SPOTLIGHT

**Full-size, ambidextrous design**

Sculpted for comfort over an entire workday, the M560 features deep contours and soft rubber grips for comfort, control and productivity.

**Hyper-fast scroll wheel**

Zip through long documents, web pages and news feeds with the scroll wheel free-spinning mode. Press down on the scroll wheel to switch to click-by-click mode for precise scrolling through documents such as spreadsheets.

**18-month¹ battery life**

Offers long-lasting battery life to minimize downtime and the cost and hassle of changing batteries.

**Windows 8^{*} shortcuts and extra thumb buttons**

The Windows 8 edge menu button gives one-touch access to the App Bar and Charms Bar. Two thumb buttons are pre-programmed to make it fast and simple to move between Windows and Windows 8, but can be reprogrammed² to perform other productivity shortcuts.

**Logitech Unifying USB receiver**

The small receiver stays plugged into the laptop's USB port for easy, convenient, and clutter-free connectivity. Users can add up to six devices to one USB port.

**Logitech Advanced 2.4 GHz wireless connectivity**

The robust and reliable wireless connection enables fast data transmission with virtually no delays or dropouts.

**Logitech Advanced Optical Tracking**

Laser-grade precision tracks over the most challenging surfaces—including smooth and glossy—that are problematic for standard optical mice.³
