Know your product

1. Protective cover
2. iPad mini holder
3. Function keys
4. Keyboard
5. Bluetooth® and battery status light
6. Bluetooth connect button
7. Micro-USB charging port
8. On/off switch
9. Documentation
10. Micro-USB charging cable

Set up your product

1. Place your iPad mini on the Keyboard Cover.
2. Turn on the Keyboard Cover:
 - Bluetooth discovery starts automatically and continues for 15 minutes. The Status light blinks blue.
 - If the Status light briefly turns red, charge the batteries. For more information, see “Charge the batteries.”
3. Establish Bluetooth connection:
 - Make sure your iPad mini’s Bluetooth feature is on. Select Settings > Bluetooth > On.
 - Select “UltraThin mini” on your iPad mini’s Devices menu.
4. Tilt your iPad mini to suit your viewing angle. Multiple angles are available to select, from 50° to 70°.
Note:
 - You will need to apply downward pressure when you tilt your iPad mini.
 - The maximum weight that can be loaded onto the slot is 2.5kg.

Charge the batteries

1. Plug one end of the micro-USB cable into the charging port, and the other end into a USB port on your computer.

Alternatively you can use a USB charger, such as that provided with your iPad mini, providing the power output rating is 5V and at least 500mA.

The status light blinks green as the battery charges.

2. Charge the batteries until the Status light turns solid green.

Battery information:

- A fully charged battery provides about 3 months of power when the Keyboard Cover is used about two hours a day.
- Charge the batteries when the Status light briefly turns red after the Keyboard Cover turns on.
- When not in use, turn off the Keyboard Cover to conserve battery power.
- The Keyboard Cover enters sleep mode if powered on and not used. To exit sleep mode, press any key.

Function keys

	Lock screen Locks or unlocks the iPad mini screen		Mute
	Siri Use your voice to send messages, make calls, schedule meetings, and more		Volume down
	Search Launches the iPad mini search function		Volume up
	Switch language Switches the keyboard language		Home Displays the iPad mini Home screen
	Virtual keyboard Shows/hides the virtual keyboard		Fn + X = Cut
	Screen Shot		Fn + C = Copy
	Previous track		Fn + V = Paste
	Play/Pause		Fn + Left cursor = Select left Selects text on the left, word by word
	Next track		Fn + Right cursor = Select right Selects text on the right, word by word
			Fn + Spacebar = Switch applications

Note

- To select a function key, press and hold the Fn key, and then press the key indicated above.

Use your product

Status light indications

Light	Description
Blinking green	The battery is charging.
Solid green	The battery is fully charged (100%).
Red	Battery power is low (less than 20%). Recharge the battery.
Blinking blue	Fast: The keyboard cover is in discovery mode, ready for pairing. Slow: The keyboard cover is trying to reconnect to your iPad mini.
Solid blue	Bluetooth pairing or reconnection is successful.

Connecting to a different iPad mini

1. Place the new iPad mini into the slot in the Keyboard Cover.
2. Make sure the Keyboard Cover is turned on.
3. Check that your iPad mini's Bluetooth feature is on. Select Settings > Bluetooth > On.
4. Press the Bluetooth Connect Button on the Keyboard Cover. The Keyboard Cover is discoverable for 3 minutes.
5. Select "UltraThin mini" on your iPad mini's Devices menu. Bluetooth connection completed.

Detaching your iPad mini

1. Pull back: Tilt your iPad mini backwards until it is vertical:

3. Lift iPad mini: Lift your iPad mini out of the Keyboard Cover vertically:

2. Push down: Apply downward pressure to ensure that the slot is completely flat:

Storing your iPad mini for travel

1. Slide your iPad mini towards the hinge at the back of the Keyboard Cover. As your iPad mini gets close to the rear hinge, it pops up:

2. Attach your iPad mini to the rear hinge:

3. Lower your iPad mini down on to the Keyboard Cover until it closes.

A magnetic clip holds the iPad mini in position:

Note:

- **DO NOT** try to slide your iPad mini into the hinge from the opposite direction:

Battery disposal at product end of life

1. Pry off top cover of keyboard with screwdriver.
2. Detach battery from circuit board and remove battery.
3. Dispose of your product and its battery according to local laws.

Troubleshooting

The Keyboard Cover does not work

- Press any key to wake the Keyboard Cover from sleep mode.
- Turn the Keyboard Cover Off and then back On.
- Recharge the internal batteries. For more information, refer to “Charge the batteries.”
- Re-establish the Bluetooth connection between the Keyboard Cover and iPad mini:
 - Verify that your iPad mini’s Bluetooth feature is turned on.
 - Choose “UltraThin mini” from the Devices menu on your iPad mini. The Status light briefly turns blue after the Bluetooth connection is made.

My iPad mini doesn’t fit into the slot

- Make sure you are inserting your iPad mini on its side into the slot. The Keyboard Cover doesn’t support portrait mode.
