FEATURE SPOTLIGHT

Precision-engineered keyboard with full-size keys

Experience fast, comfortable typing with full-size keys. Plus, valuable screen space is freed up with no need for a virtual keyboard crowding productive apps.

Dual-view stand

Folio functions as a stand to hold iPad upright at the perfect angle for typing or folds flat for web browsing with keyboard hidden.

Ultrathin, lightweight design

Stylish and weighing in at well under a pound, the sleek design provides functionality without adding unnecessary bulk.

Folio-style leatherette case provides durable protection

State-of-the-art, water-repellant materials help protect iPad from scratches and spills. Perfect for everyday protection at the office or on the road.

Bluetooth® wireless connectivity

Convenient wireless connection ensures easy set-up and seamless operation.

iOS® shortcut keys

Boost convenience and business productivity with special function keys for commonly used iOS® shortcuts.

USB rechargeable battery

Included USB cable¹ charges the keyboard battery for up to 3 months on a full charge.²
