• Performance Mouse MX

• Logitech® Unifying receiver

• Micro-USB charging cable

• Receiver extender cable

• User documentation

System Requirements

• Windows® XP, Windows Vista®, Windows® 7, Windows® 8 or later

• USB port

• Internet connection

Warranty

3-year limited hardware warranty

FEATURE SPOTLIGHT

Illuminated keyboard with adjustable smart backlighting
Keyboard characters appear crisp and clear in any lighting environment. Brightness level adjusts automatically or at the touch of a key.

Darkfield Laser Tracking™
Exclusive tracking technology delivers new freedom to work on virtually any surface with precise cursor control—even on glass (4 mm minimum thickness).

Unifying receiver
Tiny plug-and-play receiver practically disappears in the PC's USB port to wirelessly connect both the keyboard and mouse, plus it supports up to four additional compatible devices.

Flexible recharging system
No batteries to change. The included universal micro-USB cable makes recharging easy—even while the keyboard and mouse are in use.

Laser-etched Incurve™ keys
Typing feels comfortable, fluid and whisper-quiet with the concave key surfaces that complement the natural profile of a fingertip.

PerfectStroke™ key system
Makes every keystroke comfortable, fluid and whisper-quiet—perfect for even the longest workdays.

2.4 GHz wireless connectivity
Encrypted, secure cordless technology delivers a fast, reliable connection between the PC, keyboard and mouse, even in the busiest enterprise environments.

Ultra-thin keyboard design
Sleek, ultra-thin keyboard profile delivers comfort and functionality with stylish office sophistication.

Integrated keyboard palm rest
Cushioned palm rest supports an ergonomically friendly hand position for hours of comfortable typing.

Adjustable keyboard height/angles
Contoured to fit in the right hand, the mouse is designed to deliver hours of comfortable use throughout the workday.

Hyper-fast scroll wheel on mouse
Fly through long documents and Web pages with just a flick of the nearly frictionless scroll wheel.

Four programmable mouse buttons
Customizable thumb buttons increase productivity by automating user-specified tasks.

Sculpted shape for hand comfort
Contoured to fit in the right hand, the mouse is designed to deliver hours of comfortable use throughout the workday.

Compatible with Windows® XP, Windows® Vista, Windows® 7, Windows® 8 or later
Enterprise ready and plug-and-play compatible with leading Microsoft® operating systems.
