If you can think it you can watch it

Logitech Revue™ with Google TV

Brings together your TV, the Web, apps, movies, and so much more – all on your existing HDTV.

Only Google TV™ combines the TV you know and love with the power and freedom of the Internet. And Logitech Revue™ with Google TV is the smart way to make your existing HDTV smarter, giving you access to search, find and watch content beyond your favorite network programs using one simple-to-use interface.

Google TV Accessories
by Logitech®

Logitech® Mini Controller

Add our full-featured, thumb-sized keyboard + touch pad + remote combo Logitech® Mini Controller to your Google TV system – it's the perfect, cool-looking, companion-sized controller that's just right for your coffee table.

Logitech® Keyboard Controller

Search naturally, control easily, enjoy quickly – using the stand-alone Logitech® Keyboard Controller. It's the most powerful way to search, click and watch Google TV, with all the controls right at your fingertips.

Logitech® TV Cam

Want to make and receive HD video calls, right from your existing HDTV? Connect a Logitech® TV Cam and visit long distance with friends and family from the comfort of your couch.

GET INTO YOUR DIGITAL WORLD WITH LOGITECH.

BE THERE, EVEN WHEN YOU'RE NOT.

Introducing Logitech® Alert™, the complete video security and monitoring system for your home or business. It's easy to install and use indoors and out, with the highest quality HD video available.

ENHANCE YOUR LAPTOP EXPERIENCE.

Your laptop is already a useful tool. Transform it into a more wonderful, joyful experience with laptop essentials from Logitech®. Your laptop will thank you.

ONE TOUCH CHANGES EVERYTHING

Watch TV. Play DVDs. Access music. With just one, effortless touch of a button. With just one single remote. So eliminate coffee table clutter – get your hands on a Logitech® Harmony remote.

TURN IT ALL UP.

Bring your music, movies and games to life with bigger, bolder sound. If you want great sound, all the way around, check out the full line-up of Logitech® audio speakers.

SHINING. SPARKLING. BRILLIANT. YOU.

Create a world that's uniquely yours with colorful accessories from the Logitech® Fantasy Collection. Dreamy new colors and fanciful patterns that let you express your personality.

HI-DEF YOURSELF.

That old (or built-in) webcam just won't cut it anymore. Upgrade to a Logitech® HD webcam for sharper pictures, richer colors, clearer sound, and better light capability.

CHOOSE YOUR WEAPONS WISELY.

The Logitech® G-Series. State-of-the-art gaming peripherals for those who accept no compromise. Equip yourself with the gear that has only one goal – to help you win.

PLUG IT. FORGET IT. ADD TO IT.

Easily connect up to six compatible wireless devices to your laptop using the same tiny receiver. With just one Logitech® Unifying receiver you get wireless freedom and convenience.

MX Air™

Part # 931633-0403

On the Desk. In the Air.

Advanced laser technology gives you amazing precision at your desk. In the air, innovative Freespace™ motion sensing transforms hand motions into natural, responsive cursor control.

- In-air operation that transforms hand motions into natural, responsive cursor control
- Media and gesture controls that let you sit back and enjoy your digital media
- Superior laser precision for smoother tracking on virtually any surface
- Touch-sensitive scroll pad with hyper-fast scrolling for flying through documents
- No battery hassles – rechargeable lithium-ion battery and charging cradle

Logitech® Performance Mouse MX™

Part # 910-001105

A Mouse with No Limits that Gives You the Power to Achieve, Even On Glass

With the Logitech® Performance Mouse MX™, you'll have the power to achieve. You can track precisely on more surfaces—even glass tables (4 mm minimum thickness)—thanks to Logitech® Darkfield Laser Tracking™.

- New Logitech® Darkfield Laser Tracking™ works on more surfaces than other mice—even on glass
- Flexible recharging system for easy charging through your computer or a power outlet
- Tiny Logitech® Unifying receiver stays in your computer—plug it in, forget it, even add compatible wireless devices without multiple USB receivers
- Hyper-fast scrolling lets you fly through long documents and web pages
- Sculpted right-handed shape with stealth thumb controls for rapid-fire web browsing, application switching, zooming and more

Logitech® Wireless Mouse M510

Part # 910-001822

More Comfortably Shaped with Extra Controls, So You Can Do More with Your Mouse

With its contoured shape, soft rubber grips and handy controls, the Logitech® Wireless Mouse M510 gives you more control, so you can do more with your mouse.

- Full-size, ergonomically designed shape with, soft rubber grips for enhanced comfort
- Back/Forward buttons and side-to-side scrolling plus zoom offer you more control
- Two-year battery life means fewer battery hassles
- Tiny Logitech® Unifying receiver stays in your computer—plug it in, forget it, even add compatible wireless devices without multiple USB receivers
- Laser tracking means you'll enjoy smooth, responsive cursor control

LAPTOP STANDS

Logitech® Speaker Lapdesk N700

Part # 939-000287

All-In-One Laptop Sound and Comfort

Logitech® Speaker Lapdesk N700—all-in-one rich stereo sound and comfort let you get immersed in everything you enjoy on your laptop.

- Immerse yourself in rich, full stereo sound from precisely placed speakers
- Designed for stable, comfortable use, so you can sit the way that's most comfortable for you
- No software to install. Plug-and-play USB connection
- Quiet, efficient fan circulating air under your laptop, while the heat-shielding design helps keep laptop heat away from your body
- On/off switch and volume control put convenient, independent control over both the fan and speakers

Logitech® Comfort Lapdesk N500

Part # 939-000285

More Comfort Around Your Home – on the Sofa, the Bed, or Even the Floor

The Logitech® Comfort Lapdesk for Notebooks gives you more comfort around your home – on the sofa, bed, or even the floor. The heat-shielding design protects your body from notebook computer heat.

- Heat-shielding design helps protect your body from notebook computer heat
- Angled riser positions your notebook to improve neck and leg comfort (when used in a seated position)
- Stable, lightweight design enables comfortable notebook use on your sofa, bed, or even the floor
- Soft, air-mesh fabric feels comfortable on your legs
- Thin, streamlined profile provides a compact solution that looks good in any room in your home

Logitech® Speaker Lapdesk N550

Part # 939-000305

Bring Big-Time Sound and Comfort to Your Small Screen

With its integrated speakers and built-in comfort, the Logitech® Speaker Lapdesk N550 makes it easy to bring big-time sound and comfort to your small screen (14.1" computers or smaller).

- The integrated stereo speakers deliver rich, full stereo sound for music, online videos and more with speakers precisely placed on either side of your laptop
- Designed for stable, comfortable use, so you can sit the way that's most comfortable for you
- Designed for netbooks and ultra-thin laptops (14.1" computers or smaller)
- No software to install. Plug-and-play USB connection
- The unique 4-layer, heat-shielding design helps make your laptop more comfortable

Logitech® Portable Lapdesk N315

Part # 939-000181 (grey)
939-000305 (blue)

Keep Cool and Comfortable Everywhere

Keep cool and comfortable wherever you use your notebook. You're protected from heat, and you can use your mouse on the retractable pad.

- Designed to protect you from notebook heat so your lap stay cool and comfortable
- Retractable mouse pad design
- Thin and lightweight design so you can easily carry it and slide it into your laptop bag or sleeve
- Anti-slip, washable top helps you keep your notebook firmly in place, and it's easy to clean
- Comfortable base gives you the flexibility to sit however you'd like

Logitech® Cooling Pad N100

Part # 939-000119 (grey/green)
939-000291 (grey)

Improves Airflow Around Your Notebook

With a heat-shielding design and soft, air-mesh fabric, the Logitech Comfort Lapdesk gives you more comfort around the home – on the sofa, the bed, or even the floor.

- The slotted surface, with virtually silent airflow allows the USB-powered fan to distribute air quietly and evenly under your notebook
- The colors and shape fit your life, making Cooling Pad N100 a seamless addition to any room in your home
- The versatile design with rear air intake allows for steady, unobstructed airflow—whether on your lap or on a desk
- Enclosed, durable construction protects the internal fan from dust and damage

- Intuitive one-touch controls that make it easy for anyone in the family to use
- Seamless control of up to 15 devices

Harmony® 900

Part # 915-000030

Complete Control of Devices You Can't See

By using RF technology, Logitech® Harmony® 900 lets you control your home-entertainment devices without aiming your remote, even when they're out of sight.

- Includes RF System for a complete solution to controlling hidden devices
- Color touch screen, contoured shape and button layout for maximum comfort and ease of use
- Rechargeable lithium-ion battery with sleek recharging cradle
- Intuitive one-touch controls that make it easy for anyone in the family to use
- Seamless control of up to 15 devices

Harmony® One

Part # 915-000035

Stylish Touch-Screen Control of Your Entertainment

The color touch screen and sculpted buttons, featuring an intuitive layout and backlighting, give you easy, one-touch access to your home entertainment – even in the dark.

- Color touch screen, contoured shape and button layout for maximum comfort and ease of use
- Rechargeable lithium-ion battery with sleek recharging cradle
- Intuitive one-touch controls that make it easy for anyone in the family to use
- Extensive online database that supports devices you own today or buy tomorrow
- Seamless control of up to 15 devices

Harmony® 700

Part # 915-000120

Always Charged and Ready for Your Entertainment

Logitech® Harmony® 700 is the rechargeable remote that's simple to set up and use. It can go over a week between charges, so you won't be looking for batteries when you want to be watching TV.

- Color LCD screen, contoured shape and button layout for maximum comfort and ease of use
- Rechargeable NiMH battery. Remote can go over a week between charges
- Intuitive one-touch controls that make it easy for anyone in the family to use
- Extensive online database that supports devices you own today or buy tomorrow
- Seamless control of up to 6 devices

Harmony® 650

Part # 915-000114

Simple to Set Up and Use

Logitech® Harmony® 650 Remote is the remote that's simple to set up and use. Its color screen shows the commands you need for the devices you're using, and can even provide help if you need it.

- Color LCD screen, contoured shape and button layout for maximum comfort and ease of use
- Intuitive one-touch controls that make it easy for anyone in the family to use
- Extensive online database that supports devices you own today or buy tomorrow
- Seamless control of up to 5 devices

Harmony® 300

Part # 915-000132

Simple to Set Up. Easy to Use. Better Control of What's Attached to Your TV

Logitech Harmony® 300 is the remote that's simple to set up, easy enough for anyone to use, and gives you better control of what's attached to your TV.

- Watch TV button turns on your TV, set top box and sets the right input
- DVR controls and programmable buttons
- Extensive online database that supports devices you own today or buy tomorrow
- Replaces up to 4 other remotes

Harmony® RF Wireless Extender (for Harmony® 1100)

Part # 915-000044

Keep AV Devices Out of Sight

Complement your flat-screen lifestyle with the RF Wireless Extender, which works with the Harmony® 1100 or 890 remote to help keep all your components out of site.

- No line of sight required – controls devices inside cabinets and through walls
- IR commands received via RF to control hidden equipment
- Range of up to 100 feet
- Compatible with Harmony® 1100 and Harmony® 890

Harmony® Adapter for PLAYSTATION®3

Part # 943-000029

Lets your Harmony® Remote Play Nice with Your PLAYSTATION®3

Control your home entertainment system—including your PlayStation®3—with the Harmony Adapter for PlayStation® 3 and your Harmony remote.

- Works with Logitech® Harmony® remotes
- Supports all 51 PlayStation®3 commands in addition to on/off
- Bluetooth® link to PlayStation®3 doesn't use USB ports

Harmony® IR Extender System

Part # 915-000139

Take Charge of Your Home Entertainment—Even Through Closed Doors

Control your entertainment system hidden inside a closed cabinet with the remote you already own.

- Works with all Harmony remotes, and most non-Harmony infrared remotes
- Commands received via IR to control hidden equipment
- IR blaster and mini blasters communicate to your equipment
- Sleek, low-profile design blends right in with your flat-screen TV

Logitech® Revue™ with Google TV™

Part # 970-000001

If You Can Think It, You Can Watch It

Logitech® Revue™ with Google TV turns any TV into a smart TV. It brings together TV, the Web, apps, movies and more and puts control of it all at your fingertips.

- Entertainment search and discovery by Google lets you search cable or satellite TV programming and Internet content. So it's easy to find and share something to watch on your HDTV regardless of where it comes from.
- The powerfully simple interface lets you find, share and control all your content and entertainment devices in one intuitive interface, designed especially for your HDTV.
- This remote was designed with an integrated keyboard and touchpad, so you have full control of the devices in your entertainment system.

Logitech® TV Cam

Part # 960-000665

HD Video Calling Accessory for Logitech Revue™ with Google TV

Logitech® TV Cam lets you visit long distance with friends and family from the comfort of your couch by enabling you to make and receive high-definition video calls on your HDTV.

- Logitech® TV Cam connects to Logitech® Revue™ with Google TV to enable you to make and receive high-definition video calls* on your HDTV without a computer. You'll get a relaxed and natural experience that's more like a visit than a video call.
- The widescreen, HD resolution delivers crisp, clear images formatted for your HDTV, so you can see and hear others as if they were in the room with you.

Logitech® Keyboard Controller

Part # 920-003039

Keyboard-Based Controller for Google TV Systems

The Logitech® Keyboard Controller is a keyboard-based remote that gives you a natural way to search, find and enjoy what you're looking for on Google TV systems.

- This compact keyboard for Google TV gives you a natural way to enter text, so it's fast and easy to search for and find things to watch.
- The entertainment-system controls with D-pad put basic commands including Play, Pause, Rewind, and Fast Forward in easy reach. You don't need to pick up another remote to switch channels, change the volume or control videos.

Logitech® Mini Controller

Part # 920-003038

Coffee-Table-Friendly Controller with Thumb-Sized Keyboard for Google TV Systems

The Logitech® Mini Controller is a thumb-sized, keyboard-based remote that's the ideal companion for Google TV systems, and coffee tables, too.

- This thumb-sized keyboard for Google TV gives you a natural way to enter text, so it's fast and easy to search for and find things to watch.
- The entertainment-system controls with D-pad put basic commands—including Play, Pause, Rewind, and Fast Forward—in easy reach. You don't need to pick up another remote to switch channels, change the volume or control videos.

WI-FI MUSIC PLAYERS

Squeezebox™ Radio

Part # 930-000101 (black)
930-000097 (red & black)

- Powerful 2.1 system delivers easy, two-satellite setup and a powerful subwoofer for big sound
- Integrated controls to customize your listening experience

Logitech® Speaker System Z523

Part # 980-000319

Rediscover the Art of Listening

Speakers with 360-degree sound help project audio evenly in all directions, so you get a great listening experience throughout the room.

- A down-firing subwoofer with 6.5-inch pressure driver delivers deep lows for rich bass you can feel
- A dual RCA jack and a 3.5 mm jack let you easily connect your gaming console, DVD player, or iPod®
- 40 watts (RMS) of power fills the room with bold, dynamic sound
- Convenient on-speaker controls put power and volume controls at your fingertips
- An integrated headphone jack lets you plug in your headphones for private listening

Logitech® Speaker System Z520

Part # 980-000337

Bring Your Music to Life—At Your Desk and Around the House

Its 360-degree sound helps project audio evenly in all directions for great sound throughout the room.

- Amplified two-way design realistically reproduces sound for clear, natural acoustics
- With 26 watts (RMS) of power, it's loud enough for a party
- Auxiliary input lets you quickly plug in your iPod without having to unplug speakers from your computer
- Simple two-speaker standalone system offers a full range of sound in a stylish package
- Easy to set up, especially with notebook computers

Logitech® Surround Sound Speakers Z506

Part # 980-000430

Be Moved by Big 5.1 Surround Sound from Your Music, Movies and Games

Logitech® Surround Sound Speakers Z506—for when you want to be moved by big, 5.1 surround sound from your music, movies, and games.

- Multiple inputs let you set up your system the way you want to. You'll hear it all around you as your speakers give you rich, immersive surround sound
- 75 watts (RMS) of power, powerful enough to fill the room with sound
- Deep bass brings your music, movies, and games to life
- Dedicated bass controller—dial the bass up or down to customize your listening experience

Logitech® Speaker System Z323

Part # 980-000354

Great-Sounding Audio is More Than Just Loud—It Pulls You In

Whether your entertainment plans include an impromptu dance party, a marathon movie night, or a solo gaming session, the Logitech® Speaker System Z323 gives you great sound that brings music, dialogue, and action closer.

- Omnidirectional acoustics for great 360° room-filling sound throughout the room
- A ported, down-firing subwoofer delivers rich bass that brings music, movies, and games to life
- A dual RCA jack and a 3.5 mm jack let you easily connect your gaming console, DVD player, or iPod®
- An integrated headphone jack lets you listen in private whenever you want
- 30 watts (RMS) of power fills the room with big, bold sound

SPEAKERS FOR PC & MAC

Logitech® Speaker System Z320

Part # 980-000329

Coming Through Loud and Clear—To Every Corner of Your Room

You'll get great sound all the way around the room thanks to 360-degree sound.

- Simple two-speaker stand-alone system offers a full range of sound in a small package that's perfect for notebook computers
- With 10 watts (RMS) of power, you can turn up the volume on music, videos, and games

Logitech® Speaker System Z313

Part # 980-000382

The Easy Way to Kick Back and Enjoy Your Music

The convenient control pod, room-filling sound, compact subwoofer, and easy setup give you what your built-in PC audio can't.

- The control pod makes it easy to control volume and headphone controls
- You can fill your room with big, balanced sound (25 watts RMS)
- The compact subwoofer fits into tight spaces and delivers deeper bass when you want to feel the beat

Logitech® Speakers Z130

Part # 980-000417

Rich Stereo Sound from Small Speakers that are Easy to Use

Logitech® Speakers Z130 give you rich stereo sound from portable speakers for your music, movies and games.

- With 5 watts of total power, you get stereo sound that's clear and strong
- It's easy to get the sound you want with simple volume and power controls
- Plug in your headphones and listen to music, movies and games where and when you want to
- Just connect the speakers to your laptop with a standard 3.5 mm plug and you're ready to go

X-140 Speakers

G27 Racing Wheel

Part # 941-000045

Simulator-Grade Racing
A simulator-grade racing wheel for the PC and PLAYSTATION®3. The Logitech® G27 Racing Wheel features a powerful, dual-motor force feedback mechanism that smoothly, quietly, and accurately simulates traction loss, weight shift, and road feel.

- Powerful, dual-motor force feedback mechanism accurately simulates traction loss and road feel
- Helical gearing provides exceptionally smooth and quiet steering action
- Six-speed shifter with push-down reverse gear allows you to quickly choose exactly the right gear
- RPM/shift indicator LEDs integrate with racing game software to indicate when the user should shift gears
- 11″ leather-wrapped wheel with steel gas, brake, and clutch pedals

Driving Force™ GT

Part # 941-000020

Realistic Racing for PC and Playstation®3
The Driving Force™ GT features advanced force feedback technology and 900-degree wheel rotation for an exceptionally realistic racing experience.

- Advanced force feedback that recreates realistic bumps, crashes, and traction loss
- Realistic 900° wheel rotation that accurately replicates steering dynamics
- Large 11″ wheel with rubber-overmold rim for exceptional comfort and control
- Real-time adjustment dial for tuning brake bias, traction control, and other settings
- Gas and brake pedals with carpet grips for instant response and feedback

Flight System G940

Part # 942-000011

Authentic Controls and Force Feedback for a Simulator-Grade Flying Experience

Logitech® Flight System G940 provides simulator-grade flying with authentic controls and realistic force feedback. Its design is inspired by military and commercial controls for an experience that's more realistic and more fun.

- An authentic design inspired by military and commercial planes and helicopters
- The force feedback joystick allows you to feel your aircraft's reaction to air, turbulence, and g-forces
- The dual throttle allows you to precisely control multi-engine aircraft using the split lever
- Rudder pedals with toe brakes give you true-to-life control
- Interactive, programmable throttle-base buttons can illuminate red, green, amber, or off

Extreme™ 3D Pro Joystick

Part # 963290-0403

Fast Access and Superior Precision

With 12 fully programmable buttons, an 8-way rubber hat switch, and precise throttle controls, the Extreme™ 3D Pro lets you take complete control of your favorite games.

- 12 programmable buttons that can be customized for each game or vehicle
- Sculpted twist handle for precise rudder control and superior comfort
- 8-way rubber hat switch for easy navigation with minimal hand movement
- High-precision throttle for accurate speed control
- Rapid-fire trigger that gives you extra fire power

Attack™ 3 Joystick

Part # 963291-0403

Instantly Add Precision to Your Favorite Games

Easy to set up and easy to use, the Attack™ 3 Joystick offers stellar performance and flexibility with 11 programmable buttons and an ambidextrous grip.

- 11 programmable buttons that can be customized for each game or vehicle
- Ambidextrous design that fits right or left hand like a glove
- High-precision throttle for accurate speed control
- Rapid-fire trigger that gives you extra fire power
- Weighted base for enhanced stability

Wireless Headset F540 for Xbox 360® & PlayStation®3

Part # 981-000277

Play As Late As You Like

Don't wake the house. With the Logitech® Wireless Headset F540 you can play your PS3™ and Xbox 360® games with stereo game audio and voice chat through one headset.

- Detailed stereo game audio plus clear voice chat for your PS3™ and Xbox 360® from a single headset

- Play up to 10 hours from a single charge and you can even charge while you play
- Multiple audio inputs allow you to plug in up to three devices

Vantage™ USB Headset for PlayStation®2 & PlayStation®3

Part # 980174-0403

Superior Comfort and Clarity

Featuring digital USB audio, a noise-canceling microphone, and interchangeable ear pads, this high-performance headset provides crystal-clear sound and enhanced comfort.

- Three interchangeable ear pads (velvet, leatherette, foam) for personalized comfort
- USB connection for digital-quality audio and easy setup
- Noise-canceling microphone that blocks unwanted sounds — even in a noisy room
- Comfortable, adjustable headband that lets you find the right fit
- 10-foot cable for greater range of motion

Cordless MediaBoard Pro™

Part # 968011-0403

Full-Featured Keyboard with Bluetooth® Wireless Technology

Featuring Bluetooth® 2.0 wireless technology for extended range, an integrated touch pad, and a slim, lightweight design, this advanced keyboard makes entering text on your Playstation®3 a breeze.

- Fully operational keyboard that's much easier for text entry than a controller
- Bluetooth® technology for complete wireless freedom (up to 30 feet)
- Integrated touch pad with vertical scrolling — no need for a separate mouse
- Dedicated hot keys for easy access to entertainment media
- Lightweight design with a slim profile that's easy to handle, use, and store

G27 Racing Wheel

Part # 941-000045

Simulator-Grade Racing

A simulator-grade racing wheel for the PC and PLAYSTATION®3. The Logitech® G27 Racing Wheel features a powerful, dual-motor force feedback mechanism that smoothly, quietly, and accurately simulates traction loss, weight shift, and road feel.

- Powerful, dual-motor force feedback mechanism accurately simulates traction loss and road feel
- Helical gearing provides exceptionally smooth and quiet steering action
- Six-speed shifter with push-down reverse gear allows you to quickly choose exactly the right gear
- RPM/shift indicator LEDs integrate with racing game software to indicate when the user should shift gears
- 11″ leather-wrapped wheel with steel gas, brake, and clutch pedals

Driving Force™ GT

Part # 941-000020

The Official Wheel of Gran Turismo®

The official wheel of Gran Turismo®, the Driving Force™ GT features advanced force feedback technology and 900-degree wheel rotation for an exceptionally realistic racing experience.

- Advanced force feedback that recreates realistic bumps, crashes, and traction loss
- Realistic 900° wheel rotation that accurately replicates steering dynamics
- Large 11″ wheel with rubber-overmold rim for exceptional comfort and control
- Real-time adjustment dial for tuning brake bias, traction control, and other settings
- Gas and brake pedals with carpet grips for instant response and feedback

Harmony® Adapter for PLAYSTATION®3

Part # 943-000029

Lets your Harmony® Remote Play Nice with Your PLAYSTATION®3

Control your home entertainment system—including your PlayStation®3—with the Harmony Adapter for PlayStation®3 and your Harmony remote.

- Works with Logitech® Harmony® remotes
- Supports all 51 PlayStation®3 commands in addition to on/off
- Bluetooth® link to PlayStation®3 doesn't use USB ports
