

# Boombox

Wireless Bluetooth® Speaker  
Setup Guide

## Your UE Boombox

## First-time setup

Pair your speaker to a Bluetooth-enabled tablet or smartphone.

**On the UE Boombox**  
Power on the speaker. The status light blinks rapidly, indicating the speaker is ready to pair with a device.

**On your device**  
Go to Settings and turn on Bluetooth. Tap UE Boombox in the list of nearby Bluetooth devices.

## Set up more devices

Pair up to 8 Bluetooth devices with your speaker. (Any 3 devices can connect simultaneously.)

**On the UE Boombox**  
Hold down the Bluetooth button until the status light starts blinking rapidly.

**On your device**  
Go to Bluetooth Settings. Tap UE Boombox in the list of nearby Bluetooth devices.

## Reconnect a device

After the initial pairing of your device with the UE Boombox, you can easily reconnect when the speaker is in Bluetooth range.

**On your device**

Go to Bluetooth Settings. Tap UE Boombox in the list of nearby Bluetooth devices.
