KNOW YOUR PRODUCT

WHAT'S IN THE BOX

1. 1 pair (2 pcs) of replaceable earpad covers
2. 1 pair (2 pcs) of foam cushions
3. 1 pair (2 pcs) of adhesive tapes

REPLACING EARPAD COVERS

1. Take the existing earpad cover off by carefully pinching the cover.

2. Remove the earpad cover slowly until it is completely off.

Make sure not to pinch the foam cushion which can be damaged easily.

3. If foam cushion is damaged, please follow the steps below.
- a. Peel the foam cushion off and replace with a new one.

- b. Place the tape on the top of the ear cup first.

- c. Then attach the foam cushion to the tape.

4. Grasp the new earpad cover, making sure that the small holes on the side align with the top and bottom of the ear cup. It should align with the USB C port at the bottom.

5. Starting from the top, slot the edge of the earpad cover inside the gap. Put the edge of the cover into the gap around the earcan.

6. After completing, gently pat the earcup several times to push the air out.

2. 1 paire (2 pièces) de coussinets en mousse
3. 1 paire (2 pièces) de bandes adhésives

REPLACER LES HOUSSES DE COUSSINETS

1. Retirez la housse du coussinet existant en la pinçant délicatement.

2. Enlevez lentement la housse du coussinet jusqu'à ce qu'elle soit entièrement retirée.

Veillez à ne pas pincer le coussinet en mousse qui peut être facilement endommagé.

3. Si le coussinet en mousse est endommagé, veuillez suivre les étapes ci-dessous.

a. Retirez le coussinet en mousse et remplacez-le par un nouveau.

b. Placez d'abord la bande adhésive sur le dessus de l'oreillette.

c. Ensuite, fixez le coussinet en mousse à la bande.

4. Saisissez la nouvelle housse de coussinet en vous assurant que les petits trous sur le côté soient alignés avec le haut et le bas de l'oreillette. Elle doit être alignée avec le port USB C en bas.

5. En commençant par le haut, insérez le bord de la housse du coussinet dans l'espace prévu à cet effet. Placez le bord de la housse dans l'espace autour de l'oreillette.

6. Après avoir terminé, tapotez délicatement l'oreillette plusieurs fois pour faire sortir l'air.
