

Express Install for Microsoft Teams Rooms

In today's dynamic workplace, where teams collaborate across in-office, hybrid, and remote environments, quickly setting up effective meeting spaces is more essential than ever. Logitech, in partnership with Vision Audio and Visual,

is simplifying room installations with the new Express Install for Microsoft Teams Rooms, making high-quality meeting spaces more accessible and easier to deploy.

Vision Express Desk Mount

Speed up Microsoft Express Install deployment for Microsoft Teams Rooms on Windows and Android with this free-standing Express Install Mount and Accessories. Designed for both huddle and small rooms, this stand allows for ultra-quick setup of meeting spaces without the need to mount a display on the wall.

Simply set the stand at the end of the table and mount Logitech Rally Bar Mini, Rally Bar Huddle or MeetUp 2 and you are ready to go!

Fast, simple, and flexible

Ideal for huddle spaces and small rooms, Express Install solutions offer a flexible, quick installation of Logitech devices like MeetUp 2, Rally Bar Huddle, Rally Bar Mini, Tap controllers, and commercial displays.

Logitech Conference cameras

MeetUp 2

An AI-powered USB conference camera for huddle spaces, MeetUp 2 simplifies the meeting experience for employees and IT. Deploy with an in-room PC or in BYOD mode.

Rally Bar Huddle

An all-in-one video bar for huddle spaces and small rooms, Rally Bar Huddle is designed to deliver equitable video conferencing meetings with ease.

*Provides flexibility to switch between Teams Rooms on Android and Teams Rooms on Windows.

Rally Bar Mini

Logitech's most advanced all-in-one video bar for small and medium spaces, Rally Bar Mini combines powerful AI-driven audio and video capabilities to deliver crystal-clear meetings.

*Provides flexibility to switch between Teams Rooms on Android and Teams Rooms on Windows.

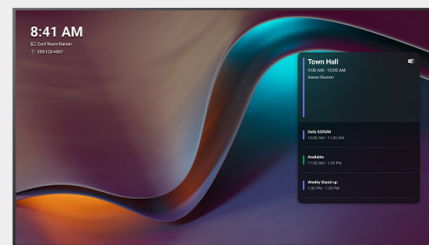

Logitech touch controllers

Tap and Tap IP

With one-touch join, wired and wireless content-sharing, and room control, Logitech touch controllers make it super easy and fast to join a Teams meeting.

Samsung Commercial Displays

QBC Series

Introducing the QBC series, Samsung's slimmest UHD signage display. Its ultra-thin design fits seamlessly into any business and delivers impressive visual quality. With Dynamic Crystal Color, a Quantum Processor Lite 4K, and ENERGY STAR 8.0 and EPEAT certifications for efficiency and eco-friendliness, the QBC series combines performance with sustainability.
