TAA ✓ **NDAA** ✓

Rally Bar+Sight Room Kit + NUC + Mount
Part # TAPRBGMSTTAA-S

Value added features and benefits for government agencies

Security and compliance.
Designed with features that help meet stringent security and compliance requirements.

Enhanced experiences.
Deliver more engaging video and audio experiences for superior collaboration.

Seamless integration.
Designed to work seamlessly together with Microsoft Teams to provide an intuitive and efficient user experience.

Streamlined IT.
Easy to deploy at scale, simple to use, manage, and support.

Simplified procurement.
Bundled solution reduces procurement complexities and streamlines purchasing saving time and costs.

Sustainability.
Built with sustainability in mind to minimize environmental impact.

Flexible and scalable.
Adapts to various room sizes and configurations.

Service and support.
Each component includes a two year hardware warranty and support from respective manufacturers.

All-in-one, room bundle includes:

- Logitech Rally Bar+Sight Room Kit - TAA
  Kit includes: Rally Bar-TAA, Logitech Sight, TAP Cat5e, (2) Logitech Mic Pods
- NUC for Microsoft Teams Rooms
- Logitech Compute Mount

More engaging experiences.

This complete room bundle, for traditional room setups with long tables, ensures participants around the table can be seen and heard, by clearly capturing voices, faces, and other in-room content with intelligent software and powerful technology.
