

## DATASHEET

# Mobi Fold for Business

Mobi Fold for Business is a foldable, ultra-portable mouse for on-the-go professionals. With its innovative design, Mobi Fold is made for travel. It fits easily into your bag or pocket so you can bring the productivity and familiarity of a mouse wherever business takes you.

- **Folds small, works big:** At a mere 79 grams, Mobi Fold for Business easily slips into a pocket or bag so you can take it wherever work takes you.
- **Made for the journey:** Mobi Fold protects against daily wear, and is made to withstand 50,000 folds and unfolds<sup>1</sup>.
- **Stay powered on the road:** A single charge lasts up to a full month; one-minute quick charge provides up to 22 hours of use<sup>2</sup>.
- **Efficient, focused work:** Adaptive touch scrolling automatically switches between line-by-line and hyper-fast modes; quiet clicks reduce distracting mouse-click noise.
- **Enterprise-grade security:** The Logi Bolt USB-C receiver delivers secure and reliable wireless connections.
- **Get a centralized view:** With Logitech Sync<sup>3</sup>, IT managers can monitor the deployment of individual devices and ensure that each device is always ready to use.
- **Customize your experience:** Logi Tune<sup>4</sup> makes it simple to customize mouse buttons, adjust scrolling settings, and check battery life.

<b>Sensor Technology</b>	Optical tracking (PAW3222)
