Rally System 2 Pro

Conquer your big rooms without the big headaches.

Logitech Rally System 2 Pro is a next-generation modular room system that makes even your most demanding environments streamlined and smart.

Replace fragmented, multi-vendor complexity with a unified, high-performance ecosystem, and modernize complex multi-purpose spaces.

- **Multi-platform solution, all in one box:** Everything you need in one box that runs Microsoft Teams, Zoom, and Google Meet, deployable in Android, PC, or BYOD mode.
- **Smarter video and better audio:** Extend an exceptional video meeting experience to larger, multi-purpose spaces with AI-powered camera modes, intelligent camera switching, and studio-quality audio.
- **Flexible and adaptable:** Instantly expand with additional cameras, microphones, and speakers. For divisible and multi-purpose spaces, combine multiple Rally System 2 Pro systems.
- **Sets up in a snap:** Effortlessly equip large spaces with cameras, mic pods, and speakers using Logitech Link, an AV-over-IP technology that makes extensibility simple.
- **Security by design:** Engineered to meet the security demands of enterprises. Built on MDEP, Rally System 2 Pro combines Logitech's security expertise with Microsoft's reputation for trust and security.

Note: Tap IP is not included in Rally System 2 Pro.

Modular system for big spaces

Rally System 2 Pro includes the latest Logitech innovations: Rally AI Camera Pro, Rally Speaker 2, and dual Rally Mic Pod 2s. The entire system is driven by RoomMate 2 Pro, a powerful CollabOS appliance that delivers robust performance with room to grow.

Rally AI Camera Pro

Dual-camera system with Right Sight 3 smart framing technology delivers crystal-clear video for larger, more complex spaces.

Rally Mic Pod 2

Capture studio-quality audio with a pair of mic pods, mountable on table or ceiling.

Rally Speaker 2

Clear, consistent beamforming speaker that provides exceptional speech intelligibility and a balanced listening experience from the front of the room to the back.

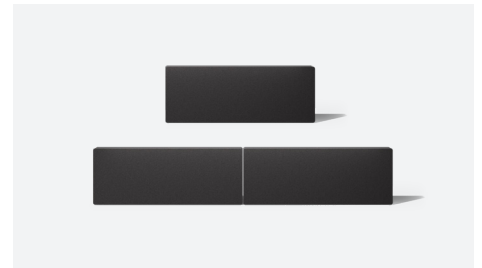

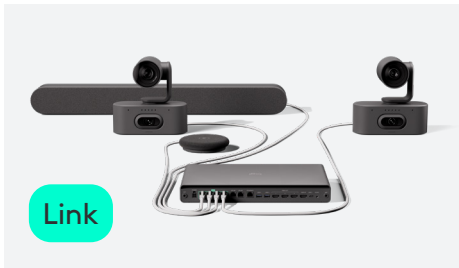

RoomMate 2 Pro

Streamlined connectivity and powerful compute to run popular video collaboration platforms in your most challenging environments.

Simple to extend with Logitech Link

Expand with more microphones, more speakers, and more cameras as the room requires, even in divisible spaces.

Multiple camera setup

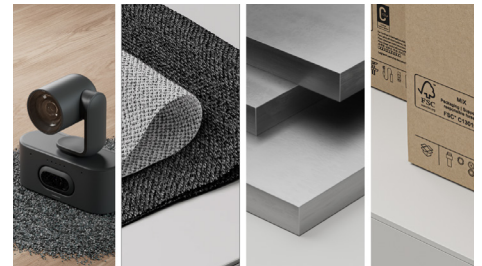

Expand with additional Rally AI Cameras for greater room coverage and leverage next-generation multi-camera automations.

Ceiling-mounted mics

Expand audio pickup with additional mic pods, mountable on the tabletop or ceiling.

Rally Speaker 2 Pro & Max

Achieve maximum audio coverage and precision control, perfectly configured for extra-large, multi-purpose environments.

Convenient room controls with Tap

Deliver one-touch join, easy content-sharing, and a seamless meeting experience across all rooms using Tap IP or Tap with Cat5e Kit.

Link multiple systems for divisible spaces

Easily split or combine rooms, and the devices within them for divisible and multi-purpose spaces.

Sustainability that leads

Featuring post-consumer recycled plastic, low-carbon aluminum, and FSC™-certified paper packaging.

Works with leading platforms

Rally System 2 Pro is designed for use with Microsoft Teams, Zoom, and Google Meet.
