

TRANSFORMING WORKSPACES FOR THE MODERN WORKDAY

8 AM 

GETTING STARTED

Current pain point: Clutter affects concentration

“When my desk is a mess, I cannot work.”

Female, Switzerland, Age 25-29¹

TRANSFORMED WORKSPACE SOLUTION:

One set of peripherals, no matter how many devices an employee uses

Multi-OS compatible, enterprise-grade mice and keyboards from the **Logitech for Business** lineup save space in any setup while keeping connections secure.

- **Easy-Switch™** button to work on up to three computers
- **Cross-computer and OS control** and file sharing with Logitech Flow technology
- **One Logi Bolt Receiver** can be paired with up to six Logi Bolt products

Logi Bolt USB Receiver

1 PM 

WHILE WORKING

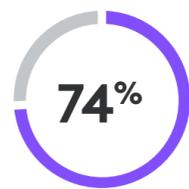

Current pain point: Demanding workloads are a source of overwhelm

“Getting more work to do on short notice is a pain point.”

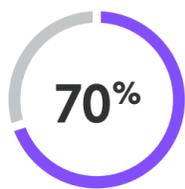

Female, Switzerland, Age 35-40¹

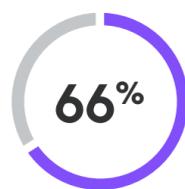

GLOBAL WORKERS REPORT THE FOLLOWING AREAS NEGATIVELY AFFECTED THEIR WORK PERFORMANCE SINCE THE START OF THE PANDEMIC:

Mental health²

Long work hours²

Remote work setup²

TRANSFORMED WORKSPACE SOLUTION:

Software that empowers employees to streamline their workflow and get things done however they work best

Logi Options+ software allows end users to customize and configure buttons and keys to perform their most common and repetitive tasks, adjust their scrolling experience, and optimize their cursor speed.

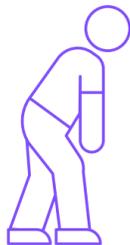

Signature M650 for Business

Productivity loss linked to absenteeism cost employers:

\$1,685 per employee annually³

7 PM 

FINISHING UP

Current pain point: Long workdays leave employees feeling burnt-out

“My back, eyes, wrist, and neck [pain] annoy me the most.”

Male, Spain, Age 25-29¹

TRANSFORMED WORKSPACE SOLUTION:

Ergonomic tools that are developed, designed, and engineered for all-day comfort in a business setting

Logitech Lift Vertical Ergonomic Mouse for Business, for both left- and right-handed users, places hands in a natural handshake position. A 57° degree angle reduces muscle strain by 10 percent and promotes a more ergonomic posture.⁴

Lift Vertical Ergonomic Mouse
