## **TERMS AND CONDITIONS**

**Statutory Right.** Except if you're a Swiss customer, you have a statutory right to cancel any online purchase within 14 days of delivery, for any reason. That right is protected by law and is not affected by these terms. During those first 14 days, follow the standard return process in your Logitech account and as explained on the Logitech Support website available at <https://support.logi.com/hc/en-us/>.

**Returning After the Statutory Period.** To return the product between day 15 and day 90 after delivery (or at any point for Swiss customers), follow these steps:

- Email **dtxcampaigns@logitech.com** with your name, order number and proof of purchase before day 90. The date you send the email counts.
- We will verify your eligibility and reply within 2 business days with a prepaid return label or courier pick-up instructions.
- Pack the product securely with all original accessories, cables, and documentation, and ship it using the method provided.

**Refund.** The product must be in good condition consistent with normal use and testing. We will refund the purchase price and standard delivery charges to your original payment method within 2 business days of receiving and inspecting the returned product. Express delivery surcharges are not refunded.

**Return Shipping.** Logitech covers return shipping for extended returns (days 15-90) via prepaid label or courier collection. Where neither is available in your market, we will reimburse reasonable postage costs with your refund. Return shipping for statutory cancellations (days 1-14) is handled per our standard Terms of Sale.

**Miscellaneous.** We may update these terms, but changes will not apply retroactively to purchases already made. For questions or to start a return: **dtxcampaigns@logitech.com**.
