Logitech K120 Wired Keyboard for Education
Dynamic, familiar learning at students’ fingertips

THE VALUE OF EFFICIENT TYPING
Giving students tools they are familiar with goes a long way toward opening their world to learning. A full-size keyboard with one-touch function keys and a number keypad lets them type on a familiar platform so they can focus on what matters most - their schoolwork.

MEET THE K120 FOR EDUCATION

**EASY, LONG-LASTING READABILITY**
Bold, bright white key characters make it easy for all students to read. And, they don’t rub off even with frequent use.

**STUDENT-FRIENDLY ERGONOMICS**
Adjustable tilt legs allow students to position the keyboard how they like in a manner sturdy enough to stand up to daily use.

**EASY-CLEAN COVER**
The silicone cover envelopes the entire keyboard, forming a seal around each key to support frequent cleaning while retaining a positive typing experience.

**FULL SIZE, FAMILIAR LAYOUT**
Students enjoy access to the controls they need to work efficiently whether during class, taking a test or studying at home.

A COMMITMENT TO EDUCATION
At Logitech, we are curious lifelong learners, constantly questioning and inventing. We are relentless in our pursuit of tools that make an impact.

This passion drives us every day to design innovative products that create transformational and accessible experiences for students, teachers and schools.

Supporting education is inherent to our mission as we know that today’s students are tomorrow’s inventors.
Every one of our education products has been designed with the needs of schools in mind. When you choose Logitech for your school, you can count on:

**SILICON COVER**
Forms seal around keys and tested to withstand frequent cleaning and disinfecting, supporting safe, long-term shared use.

**PLUG-AND-PLAY USB COMPATIBILITY**
Get students and teachers working easily with hassle-free setup — simply plug the keyboard into the USB port and go.

**RUGGED DURABILITY**
Our education products are drop-tested to withstand falls from standard school desk heights.

**3-YEAR WARRANTY WITH CUSTOMER CARE SUPPORT**
Our products are designed to work without fail but should a problem occur, we’ve got your back.

---

**WHY IT MATTERS**

Support student health by positioning screens at eye level and at least 20" away from the eyes.

Adding an external keyboard allows this setup, protecting developing spines and eyes from unnecessary strain.

Good posture can improve mood and increase energy.
