Logitech Rugged Combo 3 Touch

Giving students the power to type, create and navigate while protecting their iPads at every step

BRING THE WORLD TO THEIR FINGERTIPS

Within a typical school day, students interact with a range of subjects and types of tasks. That makes flexibility to engage with material in different ways a must.

Open up whole new worlds of navigation and take student achievement to new heights with Rugged Combo 3 Touch, a keyboard case with a trackpad for iPad® (7th, 8th, and 9th gen) that gives students new levels of control and precision while working in learning apps. The adjustable kickstand further allows students to work the way they need.

Sealed, pry-resistant keys and durable case that exceeds military drop standards make this the perfect tool for learning—in class, at home, and wherever your students may roam.

A COMMITMENT TO EDUCATION

At Logitech, we are curious lifelong learners, constantly questioning and inventing. We are relentless in our pursuit of tools that make an impact.

This passion drives us every day to design innovative products that create transformational and accessible experiences for students, teachers and schools.

Supporting education is inherent to our mission as we know that today’s students are tomorrow’s inventors.
WHY IT MATTERS

With the power of a physical keyboard, students type quickly, easily and accurately thanks to comfortable, well-spaced keys. Angled typing position supports students’ health and well-being by reducing up to 60 lbs of force on the neck. Multi-Touch™ trackpad gestures allow students and teachers to work quickly and fluidly swiping, pinching, and double tapping their way through assignments, learning apps, web pages, and more.

ASSET TAGGING WINDOW

Enables easy device management and labeling with a large asset tagging window on the back.

3-YEAR WARRANTY WITH CUSTOMER CARE SUPPORT

Our products are designed to work without fail, but should a problem occur, we’ve got your back. And, Apple Care is available for the Rugged Combo 3, providing even greater peace of mind.
