

DATASHEET

C925E BUSINESS WEBCAM

High-Quality Meetings with H.264 Support.

Designed for business, C925e works seamlessly with popular cloud conferencing providers to empower your team to collaborate with smooth, HD 1080p video calls from any location.

C925e provides a 78° diagonal field of view, HD autofocus and auto light correction that adjusts visual quality intelligently; dual omnidirectional mics capture audio clearly up to one meter away.

Powered by the UVC H.264 encoding technology, C925e ensures a consistently smooth video stream even when bandwidth is limited.

C925e is certified for Microsoft Teams® and Skype™ for Business, and works with other popular applications including BlueJeans, Cisco Webex™, Fuze, Google Meet™, GoToMeeting®, Lifesize Cloud, Pexip, RingCentral Video, Vidyo, and Zoom®.

KEY FEATURES AND PRODUCT SPECIFICATIONS

- 1 HD 1080p widescreen video:** A 78° fixed diagonal field of view along with Full HD 1080p/30 fps resolution, autofocus and auto light correction to intelligently adjust visual quality.
- 2 Noise-cancelling dual mics:** Two integrated omnidirectional microphones, optimized to capture audio from up to one meter away.
- 3 High quality with low bandwidth:** With its UVC H.264 encoding technology, frees up PC bandwidth and elevates meeting productivity with a consistently smooth video.
