BRIO ULTRA HD PRO BUSINESS WEBCAM

4K HD Video Collaboration Excellence. Designed for professional video meetings, BRIO delivers ultra 4K HD video with RightLight™ 3, HDR, high frame rates and outstanding low-light performance that power teams to collaborate and gain speed to decision-making through high-quality meeting experiences.

BRIO provides three field of view presets with 5x HD zoom in spectacular 4K resolution. Select 65° for more focused communication or widen the scope to 78° or 90° to capture more of your workspace.

RightLight™ 3 with HDR helps you look best in any illumination, with advanced Logitech optics delivering razor-sharp video resolution with autofocus.

Brio is certified for Microsoft Teams® and Skype™ for Business and works with Cortana® and Windows Hello™. Certifications and compatibility with other popular applications include BlueJeans, Cisco Webex™, Fuze, Google Meet™, GoToMeeting®, Lifesize Cloud, Pexip, RingCentral Video, Vidyo, and Zoom®.
### Video

- **Professional video quality:** Look your best everyday with max 4K Ultra HD/30fps resolution, RightLight™ 3 with HDR technology, along with a 5x zoom for fine details.
- **Noise-cancelling dual mics:** Two omni-directional microphones with noise cancellation provide business-class audio performance. Support Microsoft Cortana®.
- **Expansive diagonal field of view:** Enjoy great flexibility on dFOV. Choose 90° diagonal to show more of the room, or narrow scope to 65° or 78° diagonal for more focused communication.
