HD Video. Incredible Price. C920e is a work-from-anywhere webcam that delivers HD video meetings that look and sound better than most laptop built-ins at a price point that’s ideal for mass deployment.

The 78° diagonal field of view displays individual users in a well-balanced visual frame while two integrated omnidirectional mics can be enabled to capture audio clearly from up to one meter away.

Built-in HD autofocus ensures you’re seen clearly when on camera, while a detachable privacy screen flips up and down to cover or expose the lens.

C920e works with all popular video calling applications, including Microsoft® Teams, Skype™ for Business, Google Voice and Meet, Zoom® and others to ensure compatibility and seamless integration in the workplace.
