

COMPARISON MATRIX

PERSONAL COLLABORATION

Logitech® headsets and earbuds enhance video collaboration in any workspace whether in the office or while working remotely. Logitech Zone portfolio is designed to help you control your acoustic environment to enhance focus and productivity, no matter where and how you work.

LOGITECH ZONE PORTFOLIO

As businesses embrace video collaboration, Logitech solutions can help you look and sound great on video calls. Logitech Zone portfolio takes sound quality one step further by enabling you to define your soundscape. You can transition easily from talking to music, or general noise reduction for when you need to get stuff done. Equipped with a noise-canceling microphone, you can be sure that your voice, and not the noise around you, is heard on the other end of the call. Certified for business with leading video calling platforms, Zone headsets and earbuds are easy to use with computers, laptops, tablets, and smartphones. Whether for collaboration, communication or concentration, Zone portfolio is made for every work mode.

LOGITECH ZONE PORTFOLIO FOR BUSINESS

Logitech Zone headsets and earbuds are certified for Microsoft Teams^{®1}, Google Meet[™], Google Voice[™] and Zoom^{™2}. They also work with other popular applications³ to ensure seamless integration in the workplace.
