PRO PERSONAL VIDEO COLLABORATION KIT

The Logitech® Pro Personal Video Collaboration Kit empowers dispersed teams to stay engaged and aligned from wherever they work. This kit features the Zone Wireless Headset and the Brio webcam—delivering studio-quality audio and life-like video for maximum collaboration and peak productivity.

LOGITECH WEBCAM AND HEADSET COMBINATION

Turn any personal workspace into a focused collaboration space with a Pro Personal Video Collaboration Kit. The Zone Wireless *Bluetooth*® headset, specifically designed to tune out unwanted noise in the open office, is paired with the Brio webcam in a pre-configured bundled solution. Together, they are fully plug-and-play compatible with virtually any video conferencing software, making them as easy to deploy as they are to use. Priced for deployment at scale, this kit empowers any size organization with tools to foster a culture of employee engagement.

PRO PERSONAL VIDEO COLLABORATION KIT

BRIO + ZONE WIRELESS

Logitech's most advanced Brio webcam matched with Logitech Zone Wireless *Bluetooth*[®] headset enable professional video calls from any personal workspace, including an open office.
