Stay focused and in the zone with Zone True Wireless Bluetooth® earbuds. The certified noise-canceling mics, hybrid ANC and immersive sound are ideal for collaboration in busy workspaces without compromising on the quality, productivity or creativity.

Logitech Zone True Wireless delivers immersive experiences that help you sound clear, stay connected and confident.

Three mics in each earbud (6 total) distinguish your voice from other sounds through a combination of advanced beamforming, cascaded noise reduction and dynamic processing so your voice always sounds clear no matter your surroundings.

Connect to a smartphone and computer simultaneously via Bluetooth®. Zone True Wireless features advanced multipoint technology that makes it easy to switch between two active audio sources and never miss a call.
1. Crystal clear voice: Three noise-canceling mics in each earbud to distinguish your voice, with the innermost mic to reduce unwanted noise through bone conduction.

2. Zone into your world: Large 12mm drivers deliver immersive sound, active noise cancellation (ANC) to block distracting noise while Transparency Mode is handy for hearing external sounds.

3. Reliable multipoint connection: Seamlessly switch between smartphone and computer without missing a call, while the USB receiver provides extended performance and reliability.

## Connectivity
- **Multiple connection types**: Bluetooth®, USB-A receiver with USB-C adapter
- **Wireless range**: Up to 30m / 100 ft range (open field line of sight)
- **Paired devices**: 2 active connections and up to 8 stored connections
- **Fast Pairing**: Google Fast Pairing for easy attachment

## Rechargeable Battery
- **Talk.Listen time**
  - **Talk time**: Up to 6 hrs (ANC on); up to 6.5 hrs (ANC off)
  - **Listening time**: Up to 7 hrs (ANC on); up to 12 hrs (ANC off)
- **Charging**
  - 2 hrs 45 mins for full earbuds charge
  - 3 hrs for full case charge
  - 5 mins quick charge = 2 hrs listening time (ANC off), 1 hr 10 mins listening time (ANC on) or 1 hr talk time (ANC off)
  - Qi wireless charging<sup>1</sup> or USB-C to A charging cable (included)

## Audio
- **Microphone type**: Omni-directional, dual MEMS mics array with beamforming plus an inward-facing mic
- **ANC (Active noise cancellation)**
  - Easily switch between Hybrid ANC and Transparency mode to either eliminate ambient background noise, or hear people, traffic and other external sounds
- **Sound quality**: Large 12 mm drivers deliver full-bodied bass tones; fabric helps to reduce wind noise
- **Sidetone adjustment**: Through Logi Tune, adjust how much of your voice you hear while on calls
- **Acoustic protection**: EN 50332 certified

## Ease of use
- **Control**
  - Answer/end/reject calls, music pause/play/previous song/next song, ANC/Transparency mode on/off, volume up/down<sup>2</sup>
- **Audio alerts**
  - Voice prompts for battery life, mute, ANC/Transparency mode, power and connection status
- **All day comfort**
  - 3 sizes of eargels (S, M, L) are available for a customized fit

## Certified for Business
- **Certifications**
  - Certified for Microsoft Teams®, Google Meet<sup>™</sup>, Google Voice™ and Zoom<sup>™</sup>
- **Compatibility**
  - Works with other popular applications like Cisco Webex<sup>®</sup>, BlueJeans, and GoToMeeting™ to ensure compatibility and seamless integration in the workplace
