SMALL GROUPS. BIG POTENTIAL.

Logitech ConferenceCam BCC950

Small group video conferencing deserves more than huddling around PC webcams or begging for time on overbooked conference room systems. The ConferenceCam BCC950 combines high quality HD video and crystal clear audio in a simple, amazingly affordable package, so small groups can run their own video conferences anywhere in the office. Designed with small groups in mind, ConferenceCam BCC950 is an all-in-one video and audio conferencing device ideal for huddle rooms, private offices and small conference spaces. With professional HD video and crystal clear audio, small groups up to 4 can be seen and heard so no one in the meeting is out of range. Control the call from anywhere in the room with remote control and on-unit buttons.

Skype for Business · BlueJeans · lifesize · zoom · Vidyo · broadsoft · Cisco Compatible

Logitech ConferenceCam BCC950

FEATURE SPOTLIGHT

All-in-one design combines HD video with high-quality audio clarity
Business-grade video conferencing.

The built-in, full duplex speakerphone and noise-cancelling microphone
Allows all meeting members to hear and be heard clearly up to 6 feet away from the base.

Omni-directional mic pickup and echo cancellation audio
Makes it seem like conversations are happening in the same room.

Remote control and base button control options
Quickly control camera pan, tilt and zoom and volume up/down, mute and answer/hang-up functions during call.

1080p HD up to 30 fps
Business-quality video.

Broad application compatibility
Certified Skype for Business and Skype™ and works with most other popular video conferencing platforms.

Plug-and-play compatibility for both PC and Mac® with onboard H.264 encoding
Helps ensure plug-and-play functionality across many video conferencing platforms.

High-quality webcam sensor and Logitech RightLight™ 2 technology
Improves visual quality in low light and backlit situations.

Autofocus and razor-sharp optics
Enhance face-to-face collaboration. Advanced Logitech lens technology delivers remarkable video quality with superb resolution, speed, fluidity, color balance, and detail.

A 78-degree field of view and 180-degree video pan
Makes the ConferenceCam ideal for small group meetings.

Camera height extender
Places camera focal point at eye-level for the most flattering video angles.
