

Logitech® Action™ Controller

Rubber Grips • Turbo button • PlayStation®2 • Vibration Feedback • Dual Analog Sticks

The Logitech® Action™ Controller for PlayStation®2: the performance, comfort, and control you've been looking for.

Take control with the Logitech® Action™ Controller for PlayStation®2. It has all the buttons and sticks you need to stay at the top of your game, plus non-slip textured rubber on each handle that gives you an incredibly solid grip. Dual vibration feedback motors put you right into the action. And the quality construction stands up to even the harshest gaming conditions—from precision aiming to random button mashing and everything in between.

- Never lose your grip thanks to the textured rubber on the handles
- Feel the hits, crashes, and explosions with two vibration feedback motors
- Gain the performance edge with two analog sticks that deliver smooth 360-degree control and double as L3 and R3 buttons
- Stay in control with eight precision-engineered analog buttons and an 8-way D-pad
- Use the turbo function to enjoy super fast action

The Performance Edge You Need

- Sleek design with specially textured rubber on each handle
Never lose your grip, even in the heat of intense gaming.
- Two vibration feedback motors
Feel like you're part of the action: all the hits, crashes, explosions, and more.
- Two analog sticks with smooth 360-degree control
This is precision engineering at its best. Of course, the sticks also double as L3 and R3 buttons.
- Eight analog buttons and an 8-way D-pad
Total control: You need it, and Logitech delivers.
- Quality construction that stands up to serious punishment
As if you'd expect anything else from Logitech.
- Bonus turbo function
Super fast action is only a button click away.
- One-year limited warranty
