

Logitech® Extreme Action™ Controller

Dual Analog Sticks • Extra Long Cable • Gold-Plated Connector Pins • Leather Grips • PlayStation®2 • Turbo button • Vibration Feedback

Dominate in style with the Logitech® Extreme Action™ Controller for PlayStation®2. And we mean style, thanks to the genuine leather grips and sleek design. Plus you get all the controls and vibration feedback you need to savor your victories.

Comfort, style, and performance... without compromise. That's the promise of the Logitech® Extreme Action™ Controller for PlayStation®2. Rich, natural leather grips deliver the comfort you crave during long gaming sessions. The sleek design lends style to just about any gaming environment. And the quality construction with precision buttons and dual vibration feedback motors will stand up to even the most demanding gamer.

- Enjoy supreme comfort thanks to soft leather patches along the handles
- Feel the hits, crashes, and explosions with two vibration feedback motors
- Gain the performance edge with two analog sticks that deliver smooth 360-degree control
- Stay in control with eight precision-engineered analog buttons and an 8-way D-pad
- Use the turbo function to enjoy super fast action
- Enjoy high-end performance with the gold-plated connector pins and an extra-long 9.5 foot (2.9 meter) cable

Dominate With Style

- Sleek design with genuine leather on each handle
Soft, natural leather delivers the comfort you crave.
- Two vibration feedback motors
Feel like you're part of the action: all the hits, crashes, explosions, and more.
- Two analog sticks with smooth 360-degree control
This is precision engineering at its best. Of course, the sticks also double as L3 and R3 buttons.
- Eight analog buttons and an 8-way D-pad
Total control: You need it, and Logitech delivers.

- **Quality construction that stands up to serious punishment**
As if you'd expect anything else from Logitech.
- **Gold-plated connector pins**
High-end performance for demanding gamers.
- **Extra-long cable**
It's 9.5 feet long (2.9 meters) so you can play almost anywhere in the room.
- **Bonus turbo function**
Super fast action is only a button click away.
- **One-year limited warranty**
